

CHS CONNECT

[Click here](#) to register for CHS Connect access today.

How to register online from your smartphone or computer:

1. Complete the Contact Information page

- Enter your **contact info** and **email address**
- Setup your **username** (*You cannot use your email address as your username.*)
- Set a **password** (*Minimum 8 characters, maximum 20. Should consist of at least one lowercase letter, one uppercase letter, and one digit. The password cannot contain your first name, last name or username.*)
- Set **security question answers** (*These are used in case you forget your username or password.*)
- Click **Next** to proceed to the next page

2. Select your customer type on the Resources page

- Select **CHS Portal** and your customer type from the drop down selection
- Under **Customer Resources** expand the **Agriculture** section to be able to select **CHS Connect** under Crop Protection.
- Choose your desired access
- Click **Next** to proceed to the review page

3. Review your information and submit

- Doublecheck your registration information
- Click the **I Agree** checkbox after reading the Terms of Use
- Use the **Print** button in the upper right to print your registration details for your records
- Click **Next** to submit your registration

4. Check your email for the confirmation email

- **Check your email** for a message from chsregistration@chsinc.com
- **Open the message** for a link to confirm your registration
- **Click the confirmation link** inside for your CHS Connect registration to be complete (You must open the email and click the link for your CHS Connect Registration to be complete!)

Registration takes about five minutes.

Need help registering? The Digital Online Support Team has you covered. For assistance with registration or any CHS Connect features, please call [800-548-9727](tel:800-548-9727) or send an email to chsconnect@chsinc.com.
