*Valuations shown are based on current hedges and the futures settlement price on above date.

You may elect to set your final price at any time prior to the end of the pricing period by contacting your local grain originator/delivery location. The final price may be different than the valuation shown here due to active hedging, timing, applicable fees, etc.

The above is for informational purposes only and any actual contract will be subject to agreed upon written terms and conditions.

Entering into the CHS Pro Advantage Program does not result in your opening of a futures / options account or having a futures / options position. The program employs futures / options solely as a grain pricing mechanism.

It is not a futures / options contract or a commodity pooling or trading arrangement.
