- Avoid contact with skin
- Avoid breathing fumes or spray mist
- Do not swallow
- Wash thoroughly after handling

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

### GENERAL INFORMATION

N-Ertia™ 26 is a water-soluble controlled-release liquid fertilizer used as a nitrogen source for a variety of row crops, turf, fruits and vegetables. N-Ertia 26 is completely water soluble and can be custom blended with other primary, secondary and micro-nutrients as well as many crop protection chemicals. In the absence of published data, check compatibility by performing a jar test prior to tank mixing. N-Ertia 26 should not be blended with strongly acidic materials.

### APPLICATION RECOMMENDATIONS

Use in accordance with recommendations of a qualified individual or institution, such as, but not limited to, a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan.

### STORAGE AND DISPOSAL

Store product in original container. Do not store in excessive cold or heat. DO NOT FREEZE. Do not reuse container. Do not contaminate water, food or feed by storage or disposal. Keep packaging closed, securely fastened and upright. Triple rinse or equivalent and dispose of container in accordance with local, state and federal regulations.

**Conditions of Sale and Warranty Limitation:** The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of CHS Inc. or the seller. All such risks shall be assumed by the buyer. CHS Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. CHS Inc. makes no other express or implied warranty of fitness or merchantability or any other express or implied warranty. In no case shall CHS Inc. or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. CHS Inc. and the seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of CHS Inc.
